Nimbus Robotics Benefits Guide

FICTIONAL COMPANY. Classroom exercise only. None of these benefits are real.

1. Health insurance

All employees are covered by the company's private health insurance from their first day. Spouses and children can be added at no extra cost.

2. Pension

Nimbus contributes 6.5% of your salary to your pension fund, and an additional 8.33% to severance, from your first month.

3. Meal card

Every employee receives a meal card loaded with 40 NIS for each day worked in the office.

4. Parental leave

Nimbus offers 26 weeks of fully paid parental leave to the birth parent and 6 weeks of fully paid leave to the non-birth parent. Parents may return part-time (60%) for the first two months after leave.

5. Employee stock options

Full-time employees receive stock options that vest over four years, with a one-year cliff.

6. Wellbeing day

Once per quarter, every employee may take one paid wellbeing day, in addition to vacation days.
